

**Fourth
International Conference
on**

**Transglutaminases and
Protein
Crosslinking
Reactions**

The Conference is an official meeting of the
International Union of Biochemistry and Molecular Biology - IUBMB

ORGANIZERS:

Paul Birckbichler (Oklahoma City)
Peter Davies (Houston)
Laszlo Fesus (Debrecen)
Martin Griffin (Nottingham)
Mauro Piacentini (Rome)

ADVISORY BOARD:

Laurie Haynes (Bristol)
Laszlo Muszbek (Debrecen)
M.K. 'Bud' Patterson (Ardmore)
Uwe Reichert (Sophia Antipolis)
Rainer Schmidt (Paris)
Peter Steinert (Bethesda)

SPONSORS:

The Samuel Roberts Noble Foundation, Inc., Ardmore
IUBMB, Committee on Symposia
Behringwerke AG, Marburg
Orthogene, Inc., San Francisco
Zymogenetics, Inc., Seattle
Carl Zeiss GmbH, Wien
Hungarian Academy of Sciences
Hungarian Biochemical Society
Debrecen Medical School Apoptosis Research Foundation
Department of Biochemistry, Univ. Med. Sch., Debrecen

CONFERENCE VENUE:

Debrecen Conference Center of the
Hungarian Academy of Sciences

FRONT PAGE:

Three-dimensional Structure of the dimeric recombinant human factor XIII zymogen, as determined by X-ray crystallography. (V.C. Yee, L.C. Pedersen, R.E. Stenkamp, D.C. Teller, and P.B. Bishop; drawn using the programs Molscript and Raster3D)

QUOTATIONS FROM CONFERENCE CORRESPONDENCE

" ... I would prefer that someone more deserving than myself given the opportunity to participate in the conference. The list of speakers is most impressive. I am particularly glad to see some new names. This means that new investigators are entering the TGase field."

Bud Patterson

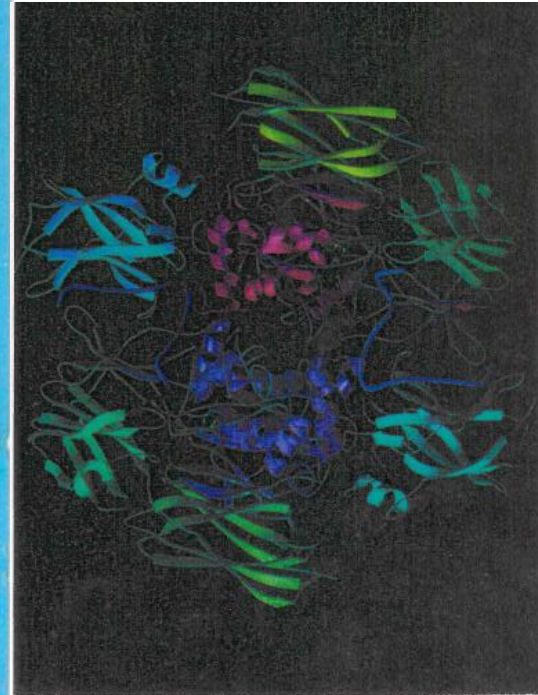

" ... Thank you for inviting me to the conference.... It would have been wonderful to revisit Debrecen. I am confident you will have a very exciting conference. Sang Chul and I would like to invite all of this conference participants to the Fifth TGase Conference in Korea in 1996. ..."

Ron Chung

In addition, best wishes have been sent to the conference by *Jack Folk, Marcia Simon, Rainer Schmidt, Charles S. Greenberg, Andrew M. Stern, Madeleine Duvic, Daniel B. Rifkin and Hirohiko Sueki.*

COUNTRIES REPRESENTED IN THE CONFERENCE

Australia, Canada, Croatia, Denmark, France, Germany, Hungary, Italy, Israel, Japan, Korea, The Netherlands, Russia, Spain, Switzerland, United Kingdom, United States

**August 28 - 31, 1994.
DEBRECEN HUNGARY**
