Dear colleagues,

it is our great pleasure to invite You to the “*Transglutaminases*” section of the *14th International Congress of Amino Acids, Peptides and Proteins*.

During plenary sessions, main Symposia, oral and poster presentation, we will accept an international and national delegation of renowned scientists, involved in the transglutaminases field of research.

We kindly request for your active support by submitting a preliminary title of your contribution and authors' names and affiliation until October 31st 2014. Your scientific contributions are subject to peer-review prior to confirmation of acceptance and will be selected for oral or poster presentations. Please note that abstracts will be published in our journal *Amino Acids* (Springer publishers, Impact Factor 3.9; editor-in-chief: G.Lubec, Vienna, Austria).

Selected full manuscripts and invited reviews will be peer reviewed and published in the special issue “*Transglutaminases: a double face enzymes*”. You will receive more information as soon as the homepage is constructed by the second announcement.

Yours sincerely,

Beninati Simone Ph.D.

Chairman

Editor of the *Amino Acids* section:
Polyamines & Transglutaminases

Piacentini Mauro Ph.D
