Conference site and Accommodation

- @ downtown Taipei

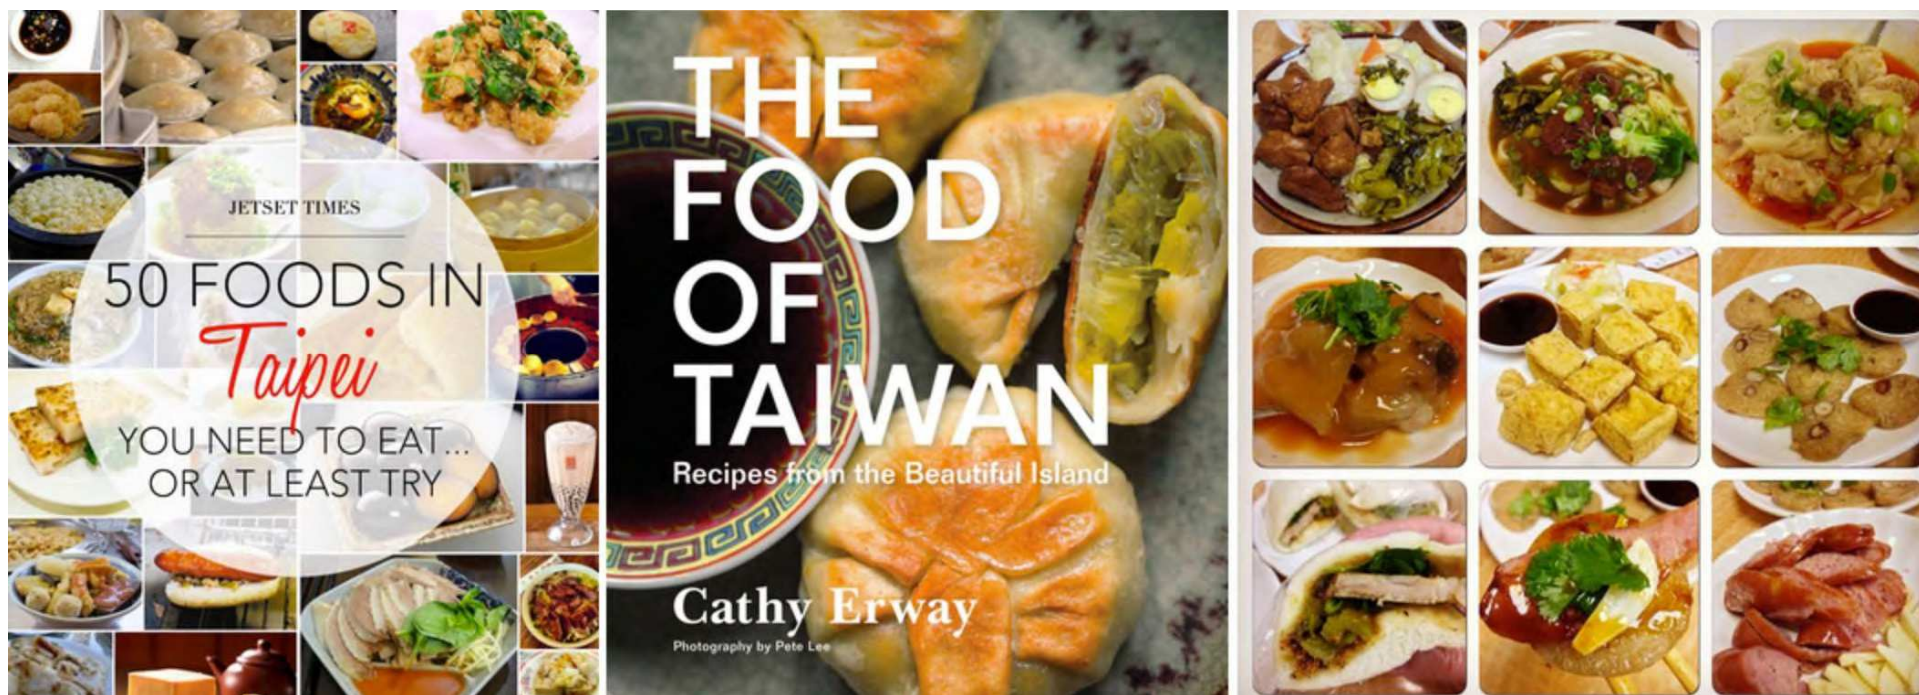

The image is a composite of two parts. On the left is a screenshot of a website for a conference venue. The top part shows a large, well-lit conference room with many round tables covered in green cloths and beige chairs. Below the photo is a navigation menu with options: Exclusive Offers, Accommodation, Dining, Weddings, Meetings, Facilities, Map & Transportation, and Contact Us. The main content area features a section titled "100 persons | 14F Conference Room" with a description: "Nearly 100 square meters of open space at a commanding height with an open sight offers the best facilities for conferences, product launch parties, press conference or small parties. Howard's Internationally House specially plans this versatile space to cater for the different conference needs." Below this is a "Layout" section with a small photo of a table setting and a "Contact Us!" button. On the right is a Google Maps screenshot showing the location of the venue. A red pin marks the location at "No. 30, Section 3, Xinseng South Road, Da'an District, Taipei City, Taiwan 106". A blue star icon and a "Save" button are visible. Below the pin, it says "8 min walk - home". The map shows major roads like the Xuyiyuan Expressway and Civic Blvd, and nearby districts like Yonghe District and Da'an District.
